M.M.T.

(d) and (e) The imports of crude and petroleum products would depend on the prevailing international price of crude/ products, the exchange rate variations and volumes of indigenous production of crude. Besides, completion of the various expansion programmes of existing refineries and some of the grass root refineries would also reduce the import of various petroleum products into the country.

Production in Petroleum Sector

1787. SHRI KAMAL MORARKA: Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) what was the projected and actual production in the petroleum sector in the last year; and
